- Massages, facials and beauty treatments at prices so reasonable you can have one every day!

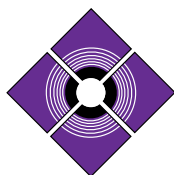

*Indulge yourself in luxury far from the hustle and bustle of Kuta, rice terraces, lush gardens and pools surround the hotel. Play the Greg Norman golf course with your own caddy, which offers a world-class experience for golfers of all skill levels. Relax in the spa, shop at nearby markets, make new friends and do what women do most when they get together—laugh!*

We stay at Le Meridien Nirwana Golf & Spa Resort, set on the southwest coast of Bali a very safe distance from all the tourist hot spots with commanding views of the famous Tanah Lot sea temple.

The resort's magnificent pools, extensive spa facilities and rice-paddy landscaping provide a true Bali experience with plenty of activities for everyone including tennis courts, fully equipped fitness centre, 3 swimming pools, 54m water slide and a swimming lagoon with a man-made sand beach! Spectacular views of the coast are possible from most parts of the hotel and evening drinks while watching the sunset over Tanah Lot Temple are a highlight.

Nearby shops and markets offer great bargains and the resort is just 30 minutes drive from Ubud.

**Golfers  
and non-golfers
