

Winter Weekend

www.girlsown.com.au

16-18 July 2010

We're going back to do it again!

As many of you may know we were considering going to The Vintage for Winter Weekend but they were making it very difficult with their "No Gathering Policy" meaning we couldn't all get together in one house or villa and we all know that's NOT going to NOT happen!

Then we spoke to Riverside Oaks and can you believe it they want us back, and have offered us a deal too good to refuse—FREE barbecue dinner Saturday night! Same excellent accommodation same lovely challenging golf course and what's even better cheaper than last year!

Located 90 minutes from Sydney, Riverside Oaks is set in 587 acres of unspoilt natural bushland. The 18-hole par 72 championship course is rated amongst the top courses in Australia with immaculate presentation, expansive greens and world class facilities.

Since last year the greens' staff have increased from 6 to 14 people, the greens were cored in April so with a little rain the course should be in great condition by the time we get there in July.

So SAME SAME BUT DIFFERENT at Riverside Oaks we hope you will come back and do it again!

We will stay in Deluxe Houses each comprises 3 king bedrooms, the configuration is such that you are not required to book a complete house as each very large bedroom has its own ensuite and sofa bed (in case of twin share) and you will share the massive open plan living, dining, kitchen area.
